MEETING OPTIONS: Each manufacturer company registration includes an 10' x 10' One-on-One Conference Booth and a Group Briefing Room. Registrants may elect to participate in one format, or both.

Held in designated meeting areas, **One-on-One Conferences** allow registered manufacturers to engage in one to one dialogs with each of their NEMRA representative companies in attendance. Manufacturers may use their booth only during the scheduled session times.

Registered manufacturers are also entitled to one **Group Briefing Meeting** time slot. These sessions, held in meeting rooms, are scheduled by NEMRA Headquarters for a time that will provide the least amount of schedule conflict for your NEMRA representatives, allowing for maximum attendance at your meeting.

All persons (including spouses) attending the NEMRA Conference and participating in **any** of its activities must be registered. Admission to any conference function is **by badge only**. *Registrations received after February 20, 2009, will be subject to a penalty fee of \$150 per registrant.*
