The "Go-To" Law Firm For Sales Reps Nationwide!

SFBBG has a long-standing and well-deserved reputation for providing the highest level of legal services to independent sales representatives. Representatives from across the country turn to SFBBG for legal counsel related to commission disputes or other conflicts with their principals, organizational or succession strategies, and to discuss other business issues. SFBBG has decades of experience representing independent sales representatives and many of their trade associations, enabling laser focus on the issues confronting reps. Experience engenders success.
