

NEMRA

Member Marketing Program

Strategic X Marketing is a unique B2B agency created in 2012 to support Manufacturers, Representative Firms and Distributors.

Focused in the electrical industry, our experience and relationships in the B2B sector will grab the attention of your target audience and move the needle.

We work strictly on a project-by-project basis. No contracts or long-term commitments required. Just straight-forward, to-the-point, effective marketing programs.

We are excited to be working with NEMRA and look forward to help expand your reach, increase the number of design projects and accelerate your sales.

Let's plan your next strategic move together.
