Webinar Presentation

[Webinar Presentation Quick Link](#)

Dear Members,

For those that could not make the call, today, I have attached the ppt for your review as it contains a lot of useful and the latest information in the changing landscape.

During the call, it was recommended that you visit the following website for additional information.

<https://www.icba.org/news/Crisis-Preparedness>

Once there, please click on the "Find A Community Bank"

<https://www.icba.org/about/find-a-community-bank>

This will allow you to search for a local bank that may better assist you in your search for loans...

Thank you,
