What if You Don't Qualify for NMG Membership?

NEMRA can still help if you do not qualify to join NMG. The best course of action would be to create a [RepConnect](#), \$795.00, to initiate the process of gaining and building your sales organization with NEMRA representatives.

Once you submit a RepConnect and provide the content for us to build out your posting, we will provide you with a preview before it is sent out to our rep membership. Content includes company logo, as well as product images, literature or videos that you would like to feature.
