### Additional Information:

At MacWarren Medical, we combine technical competence with cutting edge technology to meet real needs in our communities. We couple our dedication to excellence with the science of UC-C light to create intuitive devices that serve the Medical, Educational, Hospitality, Governmental, Retail and Commercial markets.

Our North American and European designers and engineers use the latest technology, incorporating only the highest quality components sourced from recognized and proven partners. We are proud of our rigorous European design principles and our strategic partnership with EATON.
