ABOUT

THE EMERGING LEADERS PROGRAM

- Aims to shape the future of our industry by **supporting the growth of aspiring leaders** (ages 35 or younger) employed by NEMRA member companies
- **Creates opportunities for aspiring leaders** to build relationships, expand their skills and advance their careers in the electrical industry
- **Program is a 3-part event**, with the annual kick-off at our annual conferences

BENEFITS OF EMERGING LEADERS PROGRAM

- Adds value to membership
- Builds a more diverse membership and a community of industry peers
- Brings fresh ideas into the association.
- Develops the next generation of business owners and managers
- Provides unmatched opportunities for emerging leaders (ELs) to network
- ELs will learn to harness the full creative capacity of all your team members, helping to drive predictable growth, increased engagement, and sustainable success

GENERAL REQUIREMENTS

PLATFORM BUILDING

BRANDING THE PROGRAM

- NEMRA will create a social media presence via NEMRA's LinkedIn group so that Emerging Leaders (ELs) can stay involved with the brand
- NEMRA's social media accounts will promote the events and communication

GROWING THE PROGRAM

- Incentivize ELs to invite other qualified young leaders to join, and bring them to EL events
- Encourage ELs bring others from their company
- Share the EL events with chapter board members and ask them to send an emerging leader from their company
- Offer opportunities for attendees to get involved beyond the events

WORK WITH NEMRA NATIONAL

Encourage your ELs to get involved with the NEMRA emerging leaders program to expand their network nationally and to learn about NEMRA on a national level.
