ABOUT

THE MENTORSHIP PROGRAM

- Is focused on emerging talents in the electrical industry – allowing us to tailor the program on specific needs and topics relevant to you.
- Mentors are senior leaders and experienced veterans from the industry.
- Offers a course plan and guidebook, providing a starting point, and an ending point (see timeline below), meeting guidelines, conversation starters, and tips for building your mentoring relationship. The program is structured – without being too rigid.

BENEFITS OF BEING A MENTOR

- Shorten your learning curve
- Make connections
- Sounding board of ideas
- Develop your knowledge and skills
- Encouragement, support and help
- Improve your communication skills
- Advance your career

BENEFITS OF BEING A MENTEE

- Personal satisfaction
- Leave your legacy
- Improve your skills
- Learn something new
- Leadership development
- New perspectives
- Be challenged and inspired
- Advance your career

GENERAL REQUIREMENTS

- The Empowering Mentorship Program is by nomination only for individuals in our electrical industry

2022-23 PROGRAM

THE PROCESS

- Our mentors complete a profile and self-assessment to identify their strengths. Those strengths and backgrounds are used to match with a mentee ensuring both get the most out of the experience. After you are matched, we ask that you:
- Share your insights, experience and lessons learned throughout your career.
 - Attend the virtual kick-off and virtual wrap-up celebration.
 - Meet with your mentee six times for 1-hour each between the kick-off and wrap-up meetings, ideally every other week. These meetings can be via phone, video, live or a combination that works for you and your mentee.
 - Focus on your mentee and his/her development goals.

STRUCTURE

- Led by 5-time tech entrepreneur, N.Y. Times bestselling author, venture capitalist and innovation expert, Josh Linkner.
- Cost to register is \$800 and includes:
 - NEMRA Swag Bag
 - 1-night stay at the Virgin Hotel in Las Vegas
 - Complimentary networking/cocktail reception on 1.29.23, breakfast and lunch on 1.30.23.
 - Copy of *"The Catalyst: How to Change Anyone's Mind"* by Jonah Berger.

LIVE-EVENT PRACTICES

- Invite Only Kick-off at NEMRA23
- Arrival **1.29.23** with a networking cocktail reception
- **1.30.23** starts with a 3-hour interactive workshop
