## DIVERSITY MADE SIMPLE

### 16 Minutes

This production emphasizes that diversity is far more than harassment and discrimination. It means seeking, accepting and including all of the diverse traits, beliefs, talents, knowledge, styles and experience employees bring to the workplace, regardless of a legal obligation to do so.

Diversity Made Simple answers three important questions:

- What is diversity?
- Why is diversity important?
- How can employees embrace diversity?

## SEXUAL HARASSMENT PREVENTION MADE SIMPLE (FRENCH CANADIAN)

### 14 Minutes

A simple, concise, video-based course that covers all of the legal aspect of sexual harassment in the workplace.

- Preventing sexual harassment when employees work from home or in remote locations
- Specific behaviors that could result in sexual harassment charges
- Covers all federal sexual harassment laws
- Covers federal retaliation law
- Prevention techniques for all employees
- The consequences of engaging in sexual harassment
