Annual Lighting Summit

This premier business planning conference brings together industry leaders for one-on-one strategic meetings designed to:

- Develop and finalize comprehensive business plans.
- Set mutual growth and development objectives.
- Outline key sales strategies and market positioning.
- Allocate resources for maximum efficiency and success.
- Review new products and concepts in a private setting

Beyond planning, attendees gain access to expert-led sessions, networking opportunities, and panel discussions to drive success.

Be part of the only national association dedicated to advancing independent lighting agencies. Gain access to unparalleled resources, expert insights, and a thriving professional network to help your business grow and succeed.
